

## AL XII-lea Congres Național de Citometrie

30 – 31 mai 2019, București, Platforma de Cercetare în Biologie și Ecologie Sistemică, Splaiul Independenței 91-95

Joi, 30 mai Thursday, 30 <sup>th</sup> May		Vineri, 31 mai Friday, 31 <sup>th</sup> May	
Locație: Platforma de Cercetare în Biologie și Ecologie Sistemică, Splaiul Independenței, 91-95 Venue: <i>Research Platform in Biology and Systemic Ecology, 91-95 Splaiul Independentei</i>			
08.00-09.00	<b>Înregistrare Registration</b>		
09.00-09.15	DESCHIDEREA OFICIALĂ OPENING Sală conferințe, parter <i>Conference room, ground floor</i>	09.00-09.30	Assessment of Plasma cell myeloma minimal residual disease and proliferation by flow Cytometry Jerome MOREAUX <i>Université de Montpellier, France</i>
9.15 - 10.00	The role of Flow Cytometry in the diagnosis of Myelodysplasia Lydia CAMPOS <i>Laboratory of Hematology, CHU, Saint Etienne, France</i>	9.30 - 10.00	New unsupervised strategies for flow cytometry analysis Marie Christine BENE <i>Université de Nantes, France</i>
10.00 - 10.45	Flow cytometry diagnosis in AML, identification AML variants with certain genetic abnormalities and MRD monitoring in AML Carmen AANEI <i>Laboratory of Hematology, CHU, Saint Etienne, France</i>	10.00 - 10.45	PREZENTARI ORALE ( <i>selectate dintre rezumatele primite</i> ) ORAL PRESENTATIONS ( <i>selected from the abstracts</i> ) Implementation of platelet microparticles detection, reproducibility of flow cytometry experiments. The experience of the PED 141 project: the role of microparticles in the pathogenic mechanisms of vascular complications in patients with chronic myeloproliferative neoplasm Ion DUMITRU <i>Spitalul Universitar de Urgență București, România</i>
10.45 - 11.15	Simpozion parteneri Industrial Partner symposium	10.45 - 11.15	Simpozion parteneri Industrial Partner symposium
11.15 – 11.45	Pauza de cafea, expoziție, vizionare postere Coffee break, Exhibition, Posters	11.15 – 11.45	Pauza de cafea, vizita expoziție, vizionare postere Coffee break, Exhibition, Posters
11.45 - 12.15	Simpozion parteneri Industrial Partner symposium	11.45 - 12.15	Basophils phenotypes in urticaria Claude LAMBERT <i>Laboratoire d'Immunologie Saint-Etienne, France</i>
12.15 – 13.15	MASĂ ROTUNDĂ ROUND TABLE Imunofenotiparea leucemiilor acute, Subprogram Național de Sănătate Publică, după 4 ani Acute leukemia immunophenotyping – Public Healthy National Subprogram after 4 years Horia BUMBEA, Mihaela BAICA <i>Spitalul Universitar de Urgență București, România</i>	12.15 – 12.45	Detection of phosphatidylserine-exposing extracellular vesicles Nicolas ARRAUD <i>Hôpitaux Universitaires de Genève, Switzerland, Swiss Flow Cytometry School</i>
13.15 – 14.00	PREZENTARI ORALE ( <i>selectate dintre rezumatele primite</i> ) ORAL PRESENTATIONS ( <i>selected from the abstracts</i> ) Immunophenotyping features in specific genetic subgroups of acute myeloid leukemias Horia BUMBEA <i>Spitalul Universitar de Urgență București, România</i>	12.45 - 14.00	PREZENTARI ORALE ( <i>selectate dintre rezumatele primite</i> ) ORAL PRESENTATIONS ( <i>selected from the abstracts</i> )
14.00-15.00	Prânz Lunch		Prânz Lunch
15.00-16.30	PREZENTARI ORALE ( <i>selectate dintre rezumatele primite</i> ) ORAL PRESENTATIONS ( <i>selected from the abstracts</i> )	15.00-16.30	PREZENTARI ORALE ( <i>selectate dintre rezumatele primite</i> ) ORAL PRESENTATIONS ( <i>selected from the abstracts</i> ) Rapid flow cytometry assay for the direct assessment of uropathogenic <i>Escherichia coli</i> antibiotic susceptibility in urine samples Metoda rapida bazata pe citometrie in flux pentru evaluarea sensibilitatii la antibiotice a unor tulpini uropatogene de <i>Escherichia coli</i> Luminita MARUTESCU <i>Universitatea din Bucuresti, Facultatea de Biologie</i> Investigation of 5-FU drugs delivery systems cytotoxicity by flow cytometry Investigarea citotoxicitatii unor sisteme de eliberare controlata de 5-FU prin citometrie in flux Bianca GALATEANU

			<i>Universitatea din Bucuresti, Facultatea de Biologie</i>
16.30-17.00	Simpozion parteneri Industrial Partner symposium	16.30-17.00	Simpozion parteneri Industrial Partner symposium
17.00-17.30	Pauza de cafea, expoziție, vizionare postere Coffee break, Exhibition, Posters	17.00-17.30	Pauza de cafea, vizita expozitie, vizionare postere Coffee break, Exhibition, Posters
17.30-18.30	Adunarea Generala a Asociației de Citometrie din România <i>Romanian Association of Cytometry - General Assembly</i>	17.30-18.30	PREZENTARE POSTERE SI DISCUTII POSTER PRESENTATION & DISCUSSION
19.00	Welcome cocktail	19.00	Gala Dinner
